DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on December 21, 2004 has been entered.

This action addresses claims 1 and 3-15. Claims 13 and 14 are newly rejected under 35 USC §102 but claims 1, 3-12, and 15 remain allowed. This action is non-final.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 13 and 14 are rejected under 35 U.S.C. 102(b) as being anticipated by JP 7-89718 B (JP 63-15637 A). The Derwent abstract of the '637 publication discloses a chargeable battery pack for a video tape recorder appliance. As shown in Figure 3 of the '718 patent, the battery pack comprises an external case (battery body) (10) containing therein a plurality of battery cells.

A single-head jack (plug acceptor 12) having terminals 8 and 9 is disposed on the case 12. The single-head jack appears to be the only terminal on the external surface of battery pack. As such, it must inherently be connectable to the video tape recorder appliance disclosed in the '637 abstract.

Thus, the instant claims are anticipated.

Allowable Subject Matter

4. Claims 1, 3-12 and 15 are allowed.
5. The following is a statement of reasons for the indication of allowable subject matter:
The reasons for allowance of the instant claims have been previously set forth on the record and remain applicable herein.
